BLF Prayer & Praise - November 17th, 2010

Dear Friends,

Thank you for joining BLF in our weekly Prayer & Praise. We appreciate your fellowship and partnership in this ministry. Thank you for praying for these items of interest and concern to BLF. Your prayer **is** important. God bless you!

Please pray for US board member Tom Rice who has 2 grand-sons, age 5 months and 3 years who have enlarged kidneys causing illness and high blood pressure. Doctors have been doing tests for several days with results still unknown. Please pray.

Tom Rice, President, BLF USA

Please pray for BLF Europe President Alain Stamp and his wife.

She has been struggling with several health issues that doctors and specialists have been unable to diagnose.

Please pray for the Stamps that God would impart wisdom, knowledge and healing.

Mr. & Mrs. Alain Stamp, President, BLF Europe

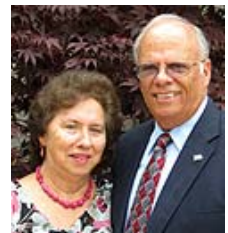

Praise the Lord for a good contact with Grace Ministries International which has missionaries in [Democratic Republic of Congo](#) and [Cameroon](#). They were grateful to see our Sunday School materials and books. Pray for them as they evaluate BLF materials which could be useful in their schools (with 40,000 students), churches and Bible schools. We praise God for how He is using BLF as a resource to support the efforts of many other ministries with the Biblically based French publications the world is needing. Please pray as we seek to assist more ministries with Biblically based French publications.

Praise the Lord that our daughter and family, Scott and Susan Downing and children, have returned safely to their home and ministry in [SE Chad \(Africa\)](#) with the well-drilling rig.

They are eager to begin providing clean water for communities in their area where there has been so much illness because of dirty water.

Praise the Lord that the chemo and radiation treatments for Nancy are completed. Her last chemo was on Wednesday, November 10th. Now she hopes to broaden her food menu, but it will take time. Nancy has an appointment with her oncologist on December 10th for a blood test and sometime later with her radiologist in order to see how she is doing. She probably will have tests after the first of the year to ascertain how successful the treatments were in her body. Thanks for continuing to pray for her full recovery.

Like Paul in his opening words to the Ephesian church, **we thank God for you every time we think of you!**

May the Lord bless you, even as you bless us and others for His Kingdom and His glory.
May God bless & encourage each of you.
