BLF Day of Prayer & Fasting - December 2nd, 2010

Dear Friends,

Thank you for joining BLF in our weekly Prayer & Praise. We appreciate your fellowship and partnership in this ministry.

Thank you for praying for these items of interest and concern to BLF. Your prayer **is** important. May God richly bless you!

We are updating our layout for our weekly Prayer & Praise E-Newsletter. A little bit more compact with the hope that you will focus on praying for the requests of this work. All of us are of the position that there is **NOTHING** more effective to accomplishing God's work and therein the mission of BLF as that of PRAYER!

As you pray this week, please pray as God helps advance the work of BLF. We just can't emphasize enough how critically important your participation in prayer for BLF **right now** really is! Thank You for praying!

We ask again for all to **Pray for John Looney**. He is still focused on raising support for his return to the publishing operations of BLF in France. His work is key to getting out a lot of materials to the French speaking world. As we focus on Africa, Haiti, Quebec and many other French speaking areas of the world, (including French speaking Europe), we Need John to rejoin the crew there. Please pray about his support.

As you pray, if God leads you to help John with his support, please click [here](#):

Prayer & Praises from our partners: BLF Europe

Please pray for **Sabrina Devins**, the wife of BLF Europe's Nicolas Devins. She is five months along in her pregnancy and has been suffering from dizziness for nearly a week. (Mary Cayot shares this request as she works with her husband Nicolas at the BLF Europe print shop in Marpent, France. The Devins have two small children.) Nicolas also request prayer for the health of machinery in the print shop in Marpent, Fance. Pray for equipment maintenance shaping, including brakes that are past due for repair.

The Nicolas Devins family, BLF Europe

Please pray for Mrs. Samin who lives across the street from the printshop in Marpent, France. We bought the printshop buildings from her in 1989. A few year ago, we even considered buying her house to host the IT teams. We have been in touch with her for over 20 years. Philip and Heidi just saw her at the hospital Friday: she is 84 years old and dying... She says she is ready to meet with God but we don't know if this is true...

- **Please pray** that if her sins are not forgiven, God would break through to her heart and open her eyes before it is too late.
- As Philip and Heidi plan to go and visit her during the next few days:
Please pray that God would use Philip and Heidi to reach out to Mrs. Samin.

We praise God for the successful acceptance of BLF's books at the recent annual Evangelical multi-ministry convention, Nov 21-23, 2010. Most of the BLF Europe staff traveled to the Paris suburb of [Lognes, France](#) for this important convention. Three days during which we meet with some of our authors, bookstores, distributors and other publishing ministries in France, Belgium and Switzerland. We had time to present our new titles, plan actions, discuss projects... Three intense days of hard work! Once again we came back exhausted but so thankful to see how God is using BLF throughout the French speaking world!
Thank you for praying for our very tired yet very encouraged staff.

Praise God for a great time of fellowship as we celebrated Thanksgiving on Sunday with American and French friends.

Please pray for my resident card, which seems to be stuck in the renewal process, so that I can get back to Seattle for a MS doctor visit and to visit friends, family and churches.

Nathan Phillips, BLF US Missionary to Europe - Marpent, France

Please pray for Impressions Teams for BLF Europe. The world is ravaging our enrollments for the teams scheduled for participation to our outreach to our partners at BLF Europe. Pray for committed workers.

Please pray about joining a team to participate in the ministry in Europe. God will bless you richly for investing a couple weeks to impact the French speaking world. Please click [HERE](#) for more information on I.T. teams; click [HERE](#) for the upcoming team opportunities.

Please pray for Mary Cayot's sister-in-law Deb.

Deb's cancer marker has been increasing the last few months and she is tiring easily.

Prayer & Praises from our partners: BLF Canada

Pray for Daniel Julien, BLF Canada missionary. Daniel has developed an outreach called Silent Witness which has become effective reaching out to schools, churches and other venues with the gospel. Pray for that outreach as they are looking to tour across Canada and some northern US areas in public schools, Christian schools, churches, Bible schools, etc. - anywhere young people gather. They are praying that this could begin during winter/spring 2011. Daniel and Toe-Blake are working together in this exciting outreach!

Pray for Toe-Blake and Linda Roy, Executive Director of BLF Canada. The Roys are actively developing some new outreaches in Canada and now is a strategic time of planning for the ministry in Canada. Please hold them up in prayer.

Prayer & Praises from: BLF USA

BLF US West Coast Reps

Prayer Requests for Walter and Nancy Zurfluh...

- **Praise:** We are thankful for some improvement in Nancy's health and for all the prayers that have been offered up to the Lord for her complete recovery.
- **Praise:** Since most of the immediate family members were away over Thanksgiving celebrating with other loved ones, Nancy and I had a nice time with our son over a Thanksgiving meal as we expressed God's blessings to us through the years.
- **Pray for our granddaughter Alyson** who came down with a bug and fever that she will soon be well to continue her studies at [Biola University](#).
- **Praise:** We are grateful for our first great grandchild born on October 24. Praise God for good health for the mother and baby.

While we praise God for a wonderful Thanksgiving weekend with 3 of our kids and 15 grandkids, we would continue to **ask for prayer for our Grandsons, Eli and Thad, who have PKD ([Polycystic Kidney Disease](#))**. **Pray that their blood pressure would stay within normal range and that their kidneys would remain free of cysts.**

BLF US Board President Tom Rice and his wife Sue

This year, please pray and consider to support BLF for the end of this year as well as throughout 2011.
