The books used in our recent project "[200 Leadership Packs for Africa](#)" are proving VERY effective. THIS project continues to impact an ever expanding audience of French speaking people who are hearing the truth of God's Word for the first time. French speaking African pastors continue to share testimony on the project's impact as listed above.

Another exciting project to impact Africa is about to take place for which we ask your prayer. BLF is partnering with the [SIM Mission Organization](#) on a beautiful project called the **SIM African Pastors Book Set** project. A beautiful project for Africa!

SIM African Pastors Book Set

18,000 sets of 25 French books each will be distributed in 2011 to Pastors in 13 French-speaking countries of Africa. BLF titles "How to read the Bible" and "How to study the Bible" (French author: Alfred Kuen) will be included in that Pastor's Set. **Please Pray for the impact of these books.**

Once again, we would continue to ask for all to [Pray for John Looney](#). He is really focused on raising support for his return to the publishing operations of BLF in France. As Christmas approaches please pray for him. We Need John to rejoin the crew there. Please pray about his support.

As you pray, if God leads you to help John with his support, please click [here](#):

Please pray for BLF US. With the economy, this year has been especially difficult regarding finances.

As you pray, please pray about how God could use your 2010 year end financial support to affect **HUNDREDS OF THOUSANDS OF LIVES** for eternity through Bibles & Literature in French. This year, please pray and consider to support BLF for the end of this year as well as throughout 2011. Remember – after the missionaries have returned, God's printed Word speaks on and continues to share!
