## BLF Prayer & Praise - July 20<sup>th</sup>, 2011

Dear Friends,

Thank you for joining BLF in our weekly Prayer & Praise. We appreciate your fellowship and partnership in this ministry. Thank you for praying for these items of interest and concern to BLF. Your prayer is important. May God richly bless you!

Daniel & Isabelle Julien

**Please pray for BLF missionary Daniel Julien.** This week (Wednesday) he is leaving for Europe for a month of ministry in Belgium and France. He has a packed schedule, and will need prayer for strength and perseverance. Pray also for safe travels.

Toe-Blake and Linda Roy

**Pray for the upcoming Gospel Festival in August.** Francois Bedard is working on the promotional materials this week.

**Toe-Blake and Linda Roy praise the Lord for the safe arrival of a new grandson.** Cedrik Bedard was born in Joliette, Quebec, on July 18th to their daughter Laurel and husband Serge.

Walter and Nancy Zurfluh  
West Coast Reps for  
BLF USA

On July 6 Nancy saw her oncologist Dr. Applebaum who told her that Nancy's PET scan showed no problems. **All looked fine. PRAISE THE LORD.** She will see her doctor again in two months and have another PET scan in four months. Nancy continues to do well. Thanks for your prayers.

**Walt had cataract surgery** on his right eye on July 13. All went well and we were home before noon. He had to wear a patch over his right eye until he saw his doctor the next day. Walt continues to put drops in his eye and wears the patch at night. Praise God that his vision in that eye has improved immensely. Thanks for your prayers for a complete recovery.

**Pray for a middle-aged woman in our church** who has poured her life into teaching Sunday School children, who has serious cancer. Pray that she maybe able to tolerate the treatments of chemo and other medications and that she may fully recover.

Carl Eisenmenger,  
BLF US Boardmember

As you may be aware from our past board meeting and from the Prayer and Praise recent prayer request, I have been involved with a health issue that has continued for several months. Several weeks ago a STAFF INFECTION was diagnosed and during routine blood tests, the PSA level was found to have increased from 3.5 to 8.8. My family doctor and a Urologist recommended a biopsy to check for cancer.

The results are available and NO CANCER was found, the report is a residual STAFF INFECTION that has been treated with antibiotics.

**So please raise a note of PRAISE to our Lord** for these good results. Please continue to pray that the healing from the test procedure and the infection will be quick and complete.
