

Welcome to Mary Ann's Book Corner

After years of service on the missions field - to introduce the French speaking world to Jesus Christ, we would like to introduce you to some excellent Christian literature that can change lives for Jesus Christ. As part of Bibles & Literature in French, we ask you to pray for the Francophone world - to come to know Jesus as Savior and Lord. *—Russ & Mary Ann Miller*

On this edition of Mary Ann's Book Corner, we are featuring the book ... **"The Sacred Search: What if it's not about who you marry, but why?"** by Gary Thomas.

This book was released in 2018 by BLF Éditions in French as ... **"Vous allez dire oui à qui? Et surtout, pourquoi vous allez lui dire oui"**.

Here is a short description of the book:

If you don't know why you're getting married, you will not know who to marry. So you who are not yet married, don't take the step before reading this book!

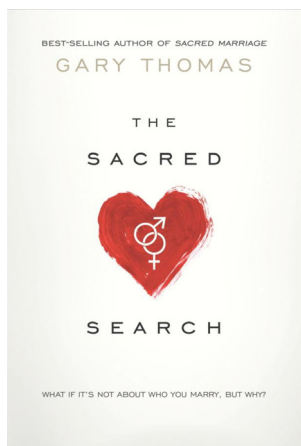

We don't get married only because we have reciprocal feelings. But then what are the other criteria for choosing the right spouse? And above all, what are the pertinent reasons for choosing a spouse? And if God desires that you marry for your spiritual growth rather than for your personal happiness? And if it wasn't a question of finding "the right person," but rather being at the service of Him who loves you with infinite love?

The author challenges you to find a valued partner--the one who will accompany you on your spiritual journey. So right now, aim to build a relationship around a common spiritual mission and place eternity at the heart of your wedding plans.

Please pray that many Christian young people will read this book and find help in choosing the "right" spouse.
