

October, 2018 — The Roy's BLF Canada Ministry Report

Dear praying partners,

Last week we had a wonderful mission conference in Oshawa and a planning meeting at Galcom office in Hamilton regarding the radio project. We have been told to expect some news from the CRTC by the 31st of October, 2018 for the 100 radio station project. Let us continue to be fervent in uplifting this request before the Lord.

From Toe-Blake and
Linda Roy, Director of
BLF Canada

This coming weekend is the main event for an evangelistic campaign that has been in the planning for the last 8 months. The invitations have already gone to 7,500 homes in St-Jérôme, QC. We are finalizing the plans for another 7,500 homes to be reach with the Gospel at Christmas time in St-Jérôme. Over the next 5 year we would like to reach all 35,000 homes in St-Jerôme, QC.

This past weekend I started to work with a church of 12 members in Labelle, QC in order to help them plan an evangelistic campaign to reach Labelle, La Conception and La Minerve, QC. This is a total of 2888 homes. This little church would like to reach all these homes with a clear message of the Gospel at Christmas by sending every home in the community (2888) a Christmas card with the address of the church on the envelop, with a nice Christmas card, a booklet explaining the plan of salvation, an invitation card to their Christmas event and a respond card requesting further literature or a visit from the pastor of the church. The total cost is 70 cents per home and the church's budget is \$650. Every Home for Christ is looking into the possibility of covering the financial difference to make it happen. As a missionary, I have the great joy to present, plan, train and connect the spiritual needs of a community with the resources provided by God through His people so as many people as possible will receive the message of the Gospel in Quebec.

Next weekend, (Saturday and Sunday), Linda and I will be in St-Donat, QC to present the possibility of a campaign in that community. The church is without a pastor but the church members want to evangelize their community. Praise God for such an open door.

We are already working with a few more churches to have a significant outreach at Easter, 2019. In the coming year we are looking into the possibility of having a campaign in Cornwall, ON, St-Basile le Grand, QC, Gatineau, QC, Maniwaki, QC, St-Adèle, QC, Disraeli, QC and a few others that are in a very embryonic stage.

My vision is that when we have the CRTC license for the radio stations project, an evangelism campaign in that community would happen simultaneously with the opening of the radio station in the community. I know it is a big vision, but we do have a big God and He wants us to reach ALL with the Gospel.

God is blessing because of your faithful prayers and support!

Thank you for your faithfulness in praying,

Toe-Blake Roy, Director of BLF Canada
