

Welcome to Mary Ann's Book Corner

After years of service on the missions field - to introduce the French speaking world to Jesus Christ, we would like to introduce you to some excellent Christian literature that can change lives for Jesus Christ. As part of Bibles & Literature in French, we ask you to pray for the Francophone world - to come to know Jesus as Savior and Lord. *—Russ & Mary Ann Miller*

On this edition of Mary Ann's Book Corner, we are featuring the book ...
"Seeing the Unseen: A Daily Dose of Eternal Perspective" by Randy Alcorn.

This book was released in 2018 by BLF Éditions in French as ...
"60 jours pour voir l'invisible: Méditations pour vivre dans la lumière de l'éternité".

Here is a short description of Randy's book:

We are blind.

Sin prevents us from seeing God and the eternity that awaits us with Him.

We do not see them, but they are *truly real*.

With very short meditations, Randy Alcorn helps us to live each day reminding ourselves that the life on earth is only a moment before the eternity that awaits us.

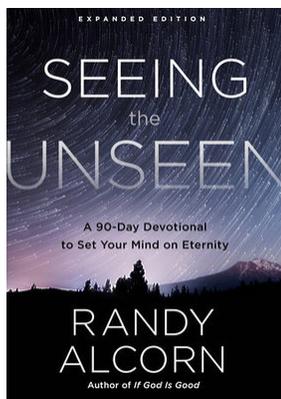

It is time to open your eyes . . . to see the invisible.

Pray that many French-speakers will acquire this book, read a meditation each day, and prepare now to live with their Savior for eternity.
