Dear Kingdom Partner,

Let us rejoice and give thanks as we turn our hearts and thoughts to the only One who brings Hope to a needy world. We trust you are doing well during these days that are bringing us to the celebration of Jesus' birth.

We at BLF feel privileged to be able to tell French speakers why He came to earth. BLF is grateful for the opportunities God is providing for us to minister to the French-speakers in Africa.

This year with your help, we have provided books and Biblical resources to be used in a Christian university library; Sunday School materials for teaching children God's Word; and tools to support pastors, church leaders and evangelists in ministry and discipleship.

Now, we are working with members of the Congo Collaboration to launch a Print-on-Demand Media Center in Kinshasa, Democratic Republic of Congo, in the Fall of 2021, provided the Lord supplies the funding needed. I am so thankful that together we can continue the legacy that God gave Abe Kroeker (founder of BLF) of providing Christian literature in French for the African people. PRAISE GOD! We covet your prayers for this project.

As we look forward to Christmas and the New Year, we do not need to fear what life may bring us here on earth. This life is but momentary-our eternal hope and home is in heaven with our Lord.

On behalf of everyone at BLF, I want to thank you for your support throughout this year. We wish you a very blessed Christmas and look forward to our continued partnership as we prepare for what God has in store for BLF in 2021.

Your Brother in Christ,
